July 2021,

Dear Business Leader:

On behalf of Dubuque County Early Childhood (DCEC) and the Kids Expo-Dubuque County Planning Team, we would like to thank you for your continued participation in Kids Expo – Dubuque County!

The services and programs that you provide are critical to our community. We recognize how important each of you are to the success of Kids Expo – Dubuque County year after year. We also know that it is vital to area families to have access to resources in our community, especially after a challenging year.

Kids Expo will look a bit different this year as we continue to promote DCEC's vision that, "All children in Dubuque County are healthy, safe, and successful." This year, we are going to host a **Drive Thru Resource Fair** for families in Dubuque County and the surrounding areas. The event will be held on **Saturday, October 2nd from 10:00 am – 1:00 pm** at the **Dubuque County Emergency Responder Training Facility located at 14928 Public Safety Way** in Dubuque and we would like you to be a part of it.

Although the event has a new format and location this year, there are still opportunities for businesses and organizations to sponsor the event and showcase their services. **If you are interested in participating in this year's fair, please complete the attached Sponsorship form and mail back to DCEC by September 15.** Due to limited space, registration is available on a first come, first serve basis.

If your Business/Organization is interested in including resources/handouts at no cost in the event bag that will be given out to participants, email Abigail at director@dcearlychild.org. Please provide a minimum of 250 copies of the materials that you would like included. All items need to be delivered to DCEC (2310 Chaney Road, Dubuque) by September 15 (ATTN: Kids Expo) in order to be included in the event bag.

Thank you for your continued partnership! We look forward to working with you to make our Kids Expo Drive Thru Resource Fair a success.

Sincerely,

Dubuque County Early Childhood and the Kids Expo-Dubuque County Planning Team
